Wildcat Mountain Begins Summer Operations Memorial Weekend Fly Wildcat on the ZipRider™ or New Hampshire's Highest Scenic Gondola

Pinkham Notch, NH – Wildcat Mountain opens for summer & fall operations beginning Saturday, May 23rd offering one of New Hampshire's most unique thrill rides the ZipRider™ along with the highest scenic gondola in the state, the Wildcat Express, and new 9-hole lift-serviced alpine disc golf course. As a year-round destination located 100% within the White Mountain National Forest, Wildcat Mountain provides both exhilarating and one-of-a-kind opportunities to enjoy views and scenery that have been consistently voted #1 in North America.

Wildcat's amazing ZipRider™ zip-line cable ride combines a one-of-a-kind experience with beautiful scenery and is the only year-round attraction of its kind in New England. The ZipRider™ expanded last summer to offer four cables that affectively allow twice the rider capacity and even more vertical fun. With a chair lift ride to the starting deck, the ZipRider™ trolley is a safe device designed to brake automatically while the rider, who is strapped securely into a comfortable harness, descends close to a half-mile over trails, tree-tops, and the Peabody River at heights of up to 70 feet and speeds that can reach 45 miles per hour to a landing platform located a short distance from the main base lodge.

The only one of its kind in North America, the Wildcat Express has once again transformed from New Hampshire's fastest and most powerful summit quad chairlift during the winter and spring skiing and riding season to the state's highest summer and fall scenic gondola. The 6,700 foot summit cable line transports the enclosed 4-person scenic gondolas creating a unique guest experience and opportunity to view Mt. Washington and the Presidential Range from atop Wildcat's 4,062 foot summit. The Wildcat Express scenic gondola is the best way for the entire family, including well-behaved canine members, to enjoy incredible views and scenery. Gondolas run continuously, so you don't wait in any lines.

The ZipRider™ & gondola will be open as weather permits for weekends beginning Saturday, May 23rd and then will begin to operate daily Saturday, June 13th, along with the scheduled opening of the lift-serviced, alpine disc golf course also on that date, through the spectacular fall foliage in mid-October. In addition to the ZipRider™, scenic gondola, and disc golf course, Wildcat Mountain offers hiking, fishing, weekly guided tours and outdoor interpretive programs with the Tin Mountain Conservation Center. A seasonal food menu, beer, & wine is offered in the Wildcat base lodge with fresh "Lunch & Ride" packages available for individuals, families, or groups. All rates and information can be found at www.skiwildcat.com or by calling 1-888-SKI-WILD.
