Wildcat Mountain Offers \$9 Lift Tickets, Fridays, March 13th & 20th March Will Be a Month of Affordable Skiing, Riding, & Events

Pinkham Notch, NH – Wildcat Mountain’s annual \$9 lift ticket day held this past January marking 51 years of lift-serviced skiing and riding and 75 years from when the Wildcat Trail was first developed was popular enough to bring it back for two more Fridays in March. It was only \$9 for 10 gondola rides back in 1958 and for that same original price on Fridays March 13th and 20th, it will offer a full-day’s access to over 2,100 vertical feet of skiing and riding aboard New Hampshire’s most powerful and arguably fastest summit quad chairlift. With guaranteed après weekend events and the option to always upgrade your ticket before 3:30pm for the next day for only \$39, Wildcat offers vertical value and the opportunity to create a 3-day ski/ride weekend beginning Friday, March 13th and 20th for less than \$30 a day.
